Dear Parents/Carers

The school council have come up with some fabulous ideas about how we could make lunchtimes in the school hall an even better experience for everyone. The most important decision that they have made is to call the hall at lunchtime 'the dining room'.

We have agreed to follow our 6 golden goals so we all have an understanding of how to be when sharing our lunch time with our friends.

The school council would like to thank and recognise those children who consistently show these goals by awarding them a golden ticket. This includes children who have hot school dinners and packed lunches. Children with golden tickets are invited to dine at the golden table on Mondays where they can showcase the goals. As a token of appreciation they will be able to choose a small gift from our treasure chest.

We are hoping that during the year every child has the opportunity to receive a golden ticket.

I would also like to take this opportunity to remind parents that children should bring a water bottle to school each day. We have noticed that some children are having juice in their bottles, but their bottles should contain only water. If your child has a packed lunch you are welcome to add a small carton of fruit juice to their lunchbox.

Yours sincerely
